About USS

Udayankur Seba Sangstha started its journey in 1997 with awareness raising program on poverty, health, education, gender equity, discrimination among the boys and girls, sanitation in the poor community. It is realized that in the prevailing social system the rural poor are being overlooked, they remain out of reach of the so-called development programs. We strongly believe that without wholehearted participation of target group and their empowerment, none of the development initiatives could be fulfilled. Thus USS is working in the northern part of Bangladesh and encourages the poor for changing their socio-economic condition on their own.
