USS cannot follow disciplinary processes with individuals outside the organization, however, decisions may be made for example to terminate a contract with a supplier based on the actions of their staff.

15. Decision on Outcome of Investigation Report

Senior Management(SM) will make a decision based on the information provided in the investigation report. Decisions relating to the Subject of Concern should be made in accordance with existing policies and procedures for staff misconduct.

If at this or in any stage in the process criminal activity is suspected, the case should be referred to the relevant authorities *unless this may pose a risk to anyone involved in the case*. In this case, the SM together with other senior staff will need to decide on how to proceed. This decision should be made bearing in mind a risk assessment of potential protection risks to all concerned, including the survivor and the Subject of Concern.

In case of failure to act upon suspected or reported the victim will directly contact with the Ombudsperson.

The Safeguarding Officer will document all decisions made resulting from the case clearly and confidentially.
