Background of USS:

Udayankur Seba Sangstha (USS) is one of the leading organization of the Nilphamairi District. USS Work following participatory approach & believe on the ability of community. USS has been working with Plan International Bangladesh since July 2006. Plan international Bangladesh believes that poor children and their families have an inherent capacity to effectively participate rights for benefit from society. Plan's vision mission and program principals focus on increasing the capacity of poor children and their families to participate effectively in meeting their practical and strategic needs as well as contributing to and benefited from the society. In order to establish child rights, empowerment of all level is must, especially women. USS is going to reach the destination through PAR (Participatory Action Research) approach. Large numbers of women & children are vulnerable (in case of Poverty, Education, Health, Social Protection etc) at present situation of Bangladesh. They are neglected in their society. USS has been implementing Rights to Protection Participation (R2PP) Project with the partnership of Plan International Bangladesh at Jaldhaka Upazilla to create a protected environment for children.

Project Goal:

Children are better protected from all forms of violence including child marriage and child labour through inclusive and effective community based child protection mechanisms.

Objectives:

- Enhance capacity of children and youth and duty bearers on Community Based Child Protection Mechanism (CBCPM) to protect children from all kinds of abuse in the project area by June 2020
- Increase awareness and knowledge of mass people specially youths and parents to sensitize on child rights and protection issues through different child interventions by June 2020.
- Improve child protection situation advocating on child rights and protection relevant legislation in collaboration with CSOs by June 2020.
- Make duty bearers responsive to protect children from violence and discrimination in project area by June 2020

Shirin receive award of Joyeta:

Shirin Akter Asa is 2nd daughter of Monirul Islam and Bulbuli Begum of Araji Shimulbari village of Jaldhaka upazila. She have four brother & three sister. She is the president **of Jaldhaka Upazila youth network & YAP member of Plan International Bangladesh. She got Joyeta prize in upazila level as a successful entrepreneur in 2019.** She is a role model of defender girls. When she was twelve years old (in 2011) her family arranged marriage with her cousin but she was not agreeing with them. Then she was a member of Child Forum & received child rights, Child protection related training supported by USS & Plan International under PCCE project. In training she receives knowledge on risk of child marriage. She had a dream to grown up a model. So she refuses child marriage. She said her family “Please give me a shelter, I will continue education in my own responsibility & I will bear my all expenses.” Then she starts a new journey. In private tuitions & suing she earns money for her education & helps her family to provide money. On the other hand Shirin had continuing her membership of active participation of child forum. She continue her social development work like stop child marriage, dropout children enrolled in school, Birth registration , sanitation , health & hygiene through TFD, campaign, parents meeting, session, day observation etc. Shirin selected a president of Union Child Forum in 2013 and later on she was selected Upazila child forum president in 2016. Plan International Bangladesh arranged a sanitary napkin training and provided technical support & logistic in 2016 for young girls for a Asmani sanimart center. Plan International Bangladesh hand over the sanimart center responsibilities to shirin after two years to continue the center. In the mean time she rename the centre as ‘Asmani Sanitary and SANI Mat Centre’ and in one year Asmani sanitary napkin got lots of popularity in Nilpmamari district. Sanitary napkin are producing in the centre with leading of Shirin and sell different areas. Now 25 young girls are working in the center. After getting Joyeta prize Shirin Said `` I am so happy. In cannot think I will select as a Joyeta. Thanks to USS & Plan International Bangladesh for continuing their support. I hope Asmani sanitary center will be popular in Bangladesh & thousand of vulnerable girls will get opportunities to work in center.”

Joyeta award at district level for community development:

Arjina is a graduated from YAP member of Plan International Bangladesh RDO Rangpur and youth network member at upazila level of Jaldhaka upazila. She is a trainer and have a training centre name Centre for Mass Education in Science (CMES) situated at Rath bazer of Kaimari union. Different training like computer (6 batch* 40= 240), swing (6batch*60=360), vermin compost production (6batch*20=120) and selling etc. are provide leading with Arjina by the institution. Many youth are receiving those training and involving IGAs. Arjina has gotten Joyeta award in 2019 at district level for delivering these kinds of community development initiatives.

Tree plantation of Jaldhaka youth network initiative:

Youth Network members of Koimari Union of Jaldhaka Upazila have distributed 500 saplings among the community people with their own initiatives mobilizing funds from Union Parishad and members of Community Based Child Protection Committee (CBCPC). Several newspapers covered this news. Here I have inserted some of them. Please see the news clipping.
